Research:

Dow Corning Wright Clinical Silicone Gel Breast Implant Study for Silastic II implants and MSI implants:

A multi-centered, longitudinal, 36 month outcomes study of Dow Corning Silastic II and MSI gel breast implants with both patient and physician reported clinical outcomes. Seven discrete patient-physician encounters for data collection. 1991-1994

McGhan Medical Corporation Saline-filled mammary implant augmentation clinical study: A multi-centered, 5 year

clinical outcomes study on the safety and effectiveness of McGhan saline breast implants in preparation for upcoming

Pre-Market Approval studies for Gel-filled mammary implants. 1995-2000

McGhan Medical Corporation Silicone-Filled Breast Implant Adjunct Clinical Study: A multi-centered, 5 year clinical

study of the possible health problems associated with silicone gel-filled breast implants. 2003-2008.

Mentor Silicone Gel-filled Mammary Prosthesis Clinical Study for Breast Reconstruction using Implants:

a 5-year, multi-center clinical study of the safety and effectiveness of silicone gel-filled

mammary prostheses in breast
reconstruction. 2003-2008

Mentor Memory Gel Post Approval Study: 10-year, multi-centered, post FDA approval
clinical study of Mentor

Memory Gel silicone breast implants for primary breast augmentation. 2007-2017.

SPAR – Skin Products Assessment Research Study: a randomized, prospective, double-
blinded, multi-centered study

of re-epithelialization time after facial chemical peeling or laser resurfacing, using
Obagi Nu-Derm skin system pre-
treatment, versus control. 2008

Body-Logic Mentor Study: a one year, multi-center clinical study to assess the
effectiveness of the Mentor Body

Logic system of pre-operative breast augmentation assessment for reducing re-
operation rate for breast implant size
change. 2009-2010

Allergan BIFS (Breast Implant Follow-up Study): 10-year, multi-centered, post FDA
approval clinical study of Allergan

Cohesive Gel-filled mammary prostheses for primary breast augmentation. 2009-2019.

Roxanne J. Guy, MD, FACS
